**5/01/09**

### **Intro:**

Hello Justintime Games Members! This is the new newsletter that Justintime Games will be sending out every month. We will include news, updates, game tips, and game cheats! This will be distributed via e-mail and will be available on the website as well.

### **Website:**

The website has undergone a HUGE update.

1: Updated forum and Members system! You can now add friends and send them messages. The forums are new too. Please start posting something.

2: New template!

3: New sidebars! (polls and stuff on the side!)

4: I have added a "blog" to the site! It is in blog form to tell you guys about the all the games development while they are being worked on!

5: Updated calendar!

### **Games:**

We are currently working on Black Hole and another project being made by my assistant:

<\*JTG\*> BR@

He has just started working on one of his own games and I will be working on Black Hole!

Sadly Platform Knights' production has STOPPED!!! I will be turning over the project to

<\*JTG\*> BR@. I will then be taking Black Hole head on!

### **Outro:**

Have fun! This is my first newsletter so the new ones will be better!
